

FOR IMMEDIATE RELEASE

**TOURISM TRINIDAD EXTENDS A WARM CARIBBEAN WELCOME TO THE CREW
FROM NATIONAL GEOGRAPHIC**

Port of Spain, September 25, 2023 - Tourism Trinidad is happy to host 52 travellers and crew members from Lindblad Expeditions and National Geographic. We are excited to showcase the natural beauty, biodiversity, and warm hospitality of Trinidad, offering them an unforgettable Caribbean experience.

With a history spanning over half a century, Lindblad Expeditions has been at the forefront of adventurous travel, exploring the world's most captivating destinations. Now, they are bringing their quest for knowledge and exploration to the shores of Trinidad.

"Lindblad Expeditions has a remarkable legacy of uncovering the world's wild secrets and inspiring travellers to connect with the wonders of our planet," says Carla Cupid, CEO of Tourism Trinidad. "We are most pleased to host this esteemed crew and their adventurous travellers on our island, where they will have the opportunity to explore our rich biodiversity and immerse themselves in our vibrant culture. Trinidad is a hidden gem in the Caribbean, and we are excited to share its beauty with the world."

Lindblad Expeditions is renowned for uncovering the world's wild secrets and sharing them with intrepid travellers. With a diverse range of more than 100 itineraries across all seven continents, they are dedicated to providing unique experiences and a deeper connection with nature and culture. Their fleet of expedition ships, purposefully designed for each destination, allows travellers to venture into remote places and immerse themselves in the wonders of the natural world.

The crew from National Geographic, in collaboration with Lindblad Expeditions, will be in Trinidad to experience its rich and diverse flora and fauna, with a special emphasis on birdwatching. The tours will be led by the Nanan Caroni Bird Sanctuary Tours, a long-time partner of Lindblad Expeditions with a history dating back over 20 decades. Nanan Caroni Bird Sanctuary Tours is celebrated for its signature boat tour into the Winston Nanan Caroni Bird Sanctuary, an attraction that has been enchanting visitors since the 1930s.

This collaboration between Lindblad Expeditions and Nanan Caroni Bird Sanctuary Tours is rooted in shared core values, including a passion for sharing knowledge about the natural world, a love for adventure and exploration, a commitment to protection and conservation, and advocacy for sustainable interaction with the environment. This partnership has flourished over the years, making it a successful endeavour that continues to inspire and educate travellers.

The team will be in Trinidad for four days. During their visit to Trinidad, the crew and travellers will have the opportunity to explore the Winston Nanan Caroni Bird Sanctuary, the Asa Wright Nature Centre, and the Botanic Gardens. Activities will include birdwatching, specialized bird watching boat tours, and immersive nature walks. The primary goal is to provide a fulfilling eco-experience and build knowledge about the diverse and vibrant nature of Trinidad.

Trinidad serves as the first leg of their journey, with embarkation taking place on our island before the crew and guests of Lindblad Expeditions head to South America. The ship will travel south, visiting significant cultural and natural destinations within the countries of Guyana, Suriname, and Brazil.
